

Chairs Report for Summer 2019.

Not the best start to the summer although health is on the mend.

Attended various committee meetings.

Strimmed the entrance lane to Abbey Ruins and cleaned the sign so legible.

Engagements through the summer included attendance at various events through Carnival Week, accompanied by Mayoral Cadet in Carnival Procession. Provided refreshments for Judges, guests and Carnival Party. I escorted the Mayoress and Consort from Kidwelly on a whistle stop tour of the town – they were totally in awe of Hywel Dda Centre and promised to return at a later date.

Invited to the opening of Exhibition of Whitland's Past at Memorial Hall and then returned for a second visit. Personal thanks to Gabriela for an amazing effort once again.

P.R Opportunities; Spoke with Radio Wales as part of their Town of the Week. Interviewed by Wales Online
